PROFILE

Performance marketer with real-estate lead-generation experience on Meta and Google Ads, backed by a degree in Interactive and Game Design. I build ad messaging frameworks and lead forms, qualify buyers, and move inquiries through to booked viewings. On the creative side, I produce listing copy, short-form video scripts, Virtual Tours and 3D assets, using AI tools to speed up production while keeping the brand consistent.

PROFESSIONAL EXPERIENCE

Military Service (Conscription) · Royal Thai Navy — May 2026 – Nov 2026

- Completed mandatory national military service fully discharged.

Performance Marketing & Ads Optimization · SbuyHome (KLAPROM Co., Ltd.), Bangkok — Nov 2025 – Feb 2026

Promoted from General Marketing — Jul 2025 – Oct 2025

- Planned and ran Meta lead-gen campaigns, writing ad copy around Thai buyers' concerns with clear calls to action, driving qualified leads for renovated-home listings.
- Built Google Ads search campaigns with keyword themes and ad variants mapped to local search intent; tracked traffic and engagement in GA4.
- Aligned messaging across Meta and Performance Max for consistent positioning, CTAs and lead-qualification prompts.
- Built Instant Forms capturing location, budget and timeline, and segmented leads into nurture workflows that converted into booked viewings.
- Managed the buyer pipeline: qualified inbound inquiries, handled objections, coordinated viewings and gave early-stage financing guidance.
- Owned listing operations and the Virtual Tour workflow (capture, edit, publish), letting buyers view homes remotely.
- Wrote Thai listing copy and short-form video scripts, using ChatGPT, Gemini and Midjourney to scale output while keeping the brand consistent.

CREATIVE & PROJECT EXPERIENCE
